Edition - 2 : 2nd Quarter - 2023 (Aug. - Nov.)

A Symphony of Excellence : Mr. Chetan Dalwala's Dual Accolades and S. D. Jain's AAA+ Triumph

Our Principal, Mr. Chetan Dalwala, has been honoured with the prestigious "Education Excellence Awards 2023" under the category of "Top 100 Principals Award" by Ek Updesh Media. This recognition applauds his committed and innovative efforts in the field of education to groom young minds. Simultaneously, Mr. Dalwala has been awarded The Best Zonal Principal for 2022-23, accompanied by a cheque of Rs. 10,000, acknowledging outstanding student performances in the SOF Olympiad Exams at the Zonal Level. In addition to the aforementioned achievements, Careers 360 has rated S. D. Jain with AAA+ grade for AY 2022-23, under 'Day School Category', after evaluating the students' academic performance, faculty quality, and infrastructure.

Under Mr. Dalwala's guidance, S. D. Jain has cultivated a culture of excellence, where students shine academically and excel in co-curricular activities. These accolades underscore his innovative approach and commitment to holistic development. Congratulations to Mr. Chetan Dalwala for steering S. D. Jain towards educational excellence, and setting a high standard for leadership in the academic community. The entire school community, including the management, extends heartfelt appreciation for these well-deserved accolades.

From the Desk of the Headmistress BETTER TOGETHER

Teachers and Parents share a common goal, to guide the child under their care as diligently as possible. In this way they share a bond which when strong can result in a fortuitous future for those under their wings.

Parent-Teacher relationships are evolving at a much faster pace than before. By working together, parents and teachers can create an encouraging learning environment where students

feels supported and motivated to reach their goals.

Our Principal, Mr Chetan Dalwala, strongly feels that a strong family and school relationship lends itself in providing children with a well-rounded educational experience that prepares them for the diverse challenges of the future. Keeping this in mind we have introduced many new activities and celebrations this year that bring the trio, school, parents and the students, closer to each other.

By acknowledging and strengthening this bond, we can ensure that our children are given every opportunity to succeed inside and outside the classroom, building a foundation that will last a lifetime. In addition, solid relationships between families and schools provide an invaluable support system to help students grow academically, socially, and emotionally as they embark on adulthood.

Under the proficient guidance and support of our Chairman, Shri Kailash ji Jain, our school aims at providing a holistic development to our students. Our school is well equipped to prepare our students to face the challenges that the future holds and works at implementing a well balanced curriculum to ensure that the children of S.D. Jain are truly prepared to excel in life.

In order to ensure that education is imparted in a thorough as well as holistic manner, it is vital that this parent-teacher bond must be nurtured, strengthened and tempered with wisdom for the greater good of those under our care.

Mrs Amita Singh

Excursions and Field Trips

The school believes in overall development of the students. It is a proven fact that learning is enhanced by getting hands on experience. Travel and tour is an important part of education. Educational trip help the kids to develop personal traits like self reliance, concentration, self confidence, team spirit, removes fear & much more. To sensitize the students towards nature and think of conservation of nature, school regularly organises field trips and excursions. These trips not only give the students an amicable environment to learn new things but also gets them acquainted with our rich past and diverse culture. It also instils in them qualities like self-reliance, self-discipline and self-confidence.

Diwali Celebration - 2023

Diwali symbolises the spiritual victory of light over darkness, good over evil and knowledge over ignorance. The lights of Diwali signify a time to destroy all our dark desires and thoughts, eradicated dark shadows and evils and give us the strength and the zeal to carry on with our goodwill for the rest of the year.

Class V students conducted a special assembly on 'Green Diwali'. The students performed various activities like skit, song etc. to sensitize their friends towards environment and enlightening them about harmful effects of fire crackers on nature.

Class VI students conducted a special assembly where they made everyone aware about the religious and spiritual reasons for celebrating Diwali. They also pledge to help some under privileged people and make their Diwali special by sharing

Learning by Doing

Learning by doing is a theory that places heavy emphasis on student engagement and is a hands-on, task-oriented, process to education. The theory refers to the process in which students actively participate in more practical and imaginative ways of learning. To develop such scientific temperament in students, we at **S D Jain Modern School** provide students with a student-oriented classroom where they engage in various activities related to their curriculum. Here are some of the glimpses of Science and S. Science Activities based on the concepts of Identification the Unknown Solutions with help of Litmus paper, Rectilinear Propagation of Light and Gender Biases.

Music

I am talking about music;

Which can energize someone who is sick.

Do you know that in music there are some tones,
You can learn about them on your smart phones.

There is a category named pop,

But emotional music can make someone sob.

Another name for it is a jingle, Sometimes,

while singing fast can make the tunes commingle.

As I am talking about music,

Which is very fantastic,

GREEN MARKETING

With rapid industrialisation, urbanization and growth in population, there has also been a sharp increase in the number of environmental problems we face today. Starting from ozone depletion, acid rain, biodiversity loss, water scarcity and the list goes on. Given that things are as they are, we need to adopt more sustainable options like 'GREEN MARKETING', which is the practice of promoting or developing goods or services that are eco-friendly. Green marketing encourages consumers to make more sustainable choices, helps in reducing carbon footprint, creates a positive brand reputation and contributes to ensure long term health and well being of the plant. It offers products that are organic, natural, use eco-friendly packaging materials and promote use of renewable energy sources. Many companies like Patagonia, The body shop etc are focusing extensively on green marketing, so what are you waiting for, Go green today!

MY MOM

My mom is a cool mom.

Even if you threaten to drop a bomb.

She is really caring,

And she is also daring,

She is extremely pretty,

And has lots of good qualities like integrity.

Just like cute rabbits,

She has healthy eating habits.

My mom is too sweet

And always knows whenever I cheat.

Let me tell you about my queen;

She really loves Chinese cuisine.

She always has a space for me in her heart;

And I have been there from the start.

She always shows so much love,

And she is as white as a dove.

खेल और पढ़ाई के बीच संतुलन

दिशिता सिंघल (Std. 7 - F)

खेल और पढ़ाई दोनों ही हमारे जीवन में बहुत जरूरी है। अगर हम पूरा समय खेल में निकाल देंगे तो हमें पढ़ाई के बारे में ज्ञान ही नहीं होगा और अगर हम सारा समय किताबें ही पढ़ते रहेंगे तो हम किताबी कीड़ा बनकर रह जाएंगे। जीवन में हर चीज में संतुलन होना चाहिए जो व्यक्ति जीवन में हर चीज का संतुलन रखते हैं, ऐसे व्यक्ति ही जीवन में उन्नति करते हैं। जो व्यक्ति जीवन में संतुलन नहीं रखते, वह व्यक्ति सही मायने में उन्नति नहीं कर सकते हैं क्योंकि उनका झुकाव केवल एक ही वस्तु की तरफ हो जाता है और दूसरी वस्तु के लिए उनके पास कोई ज्ञान नहीं होता, कोई समझ नहीं होती और यही चीज उन्हें सफल होने में बाधा पहुँचाती है। हमें एक समय सारणी के द्वारा खेल व पढ़ाई के बीच संतुलन बनाना चाहिए और उसका जीवन में दृढ़ता के साथ पालन भी करना चाहिए।

स्वच्छ भारत अभियान

वैष्णवी गुप्ता (Std. 7 - D)

स्वच्छ भारत अभियान भारत सरकार की सराहनीय कोशिश है। देखा जाए तो अपने आस-पास साफ-सफाई रखना हमारी जिम्मेदारी है। अगर सभी को अपनी जिम्मेदारियों का आभास होता तो इस अभियान की जरूरत ही नहीं पड़ती। कितनी शर्म की बात है कि हर कोई अपने घर को तो जरूर साफ करते हैं, लेकिन अपनी सारी गंदगी, कूड़ा-कचरा बाहर गलियों, सड़कों और चौराहों पर फेंक देते हैं। यह नहीं सोचते कि पूरा देश ही हमारा है। इसे भी साफ रखना हमारा ही काम है। कोई पड़ोसी या बाहर का नहीं आएगा साफ करने, इसे हमें ही साफ करना होगा। इस अभियान का आयोजन हमारे देश के प्रधानमंत्री श्री नरेंद्र मोदी ने किया था। इस आयोजन की शुरुआत 24 अक्टूबर 2014 को की गई थी।

जीवन में मेरा उद्देश्य

मेरे जीवन का महत्वपूर्ण हिस्सा है मेरा उद्देश्य। मेरा उद्देश्य है कि मैं खुश रहूँ और दूसरों की मदद करूँ। मैं अच्छी इंसान बनना चाहती हूँ और समाज के लिए कुछ अच्छा करना चाहती हूँ। मैं अच्छी शिक्षा प्राप्त करके अपने माता-पिता का सिर गर्व से ऊँचा करना चाहती हूँ। मेरा उद्देश्य है कि मैं एक अच्छी नागरिक बनकर समाज के विकास में सहयोग दूँ और दुनिया को बेहतर बनाने में मेरा योगदान हो। मैं अपने उद्देश्य की प्राप्ति के लिए मेहनती और समर्पित रहूँगी। मैं दूसरों को सहयोग देकर उनके उद्देश्य की प्राप्ति में मदद करूँगी। यही मेरे जीवन का लक्ष्य है।

बचपन का जमाना

कितना प्यारा कितना सुहावना
वह बचपन का जमाना
झट से रुठ जाना
पल में मान जाना
रोज नए-नए खेल रचना
वो बचपन का जमाना।
कभी पापा से चोकलेट मँगवाना
कभी मम्मी से मनपसंद चीज बनवाना
कभी बारिश में बेफिक्र होकर नहाना।
वो बचपन का जमाना।
कभी दहाड़े मारकर रोना
रो-रो कर सभी से अपनी बातें मनवाना
छोटी-छोटी बातों पर ठहाके लगाकर हँसना
वो बचपन का जमाना।

जीवन का सदुपयोग करो

जीवन का सदुपयोग करो
जग में रहकर कुछ काम करो
जग में अपना नाम करो
यह जन्म किस लिए हुआ
समझो जिससे व्यर्थ न हो
कुछ तो उपयुक्त करो तन को
नर हो, ना निराश करो मन को
समझो समय चला न जाए
समझो जग को निरा सपना
पथ उज्जवल करो अपना
अखिलेश्वर है अवलंबन को
करो तैयार अपने मन को
चलो कुछ काम करो
जग में अपना नाम करो

दक्ष गोयल (कक्षा: ८-के)

स्वरचित कविता

सपनें और आकांक्षाएँ
सपनों की पलकों में बसी है धडकन,
की आसमाँ को है छूना।
विश्वास और उम्मीद का नया आधार,
हर समस्या में दिखता है नया सार।
सपनों की राह पर बढ़ते चलना,
मुश्किलों से ना डरना।
जीवन के उद्देश्य को अलग ना करो,
जीवन के सपनों को अपने
से अलग ना करो।
सपनों की राह पर चलते रहना, और
अपने मुकाम को हांसिल कर लेना।
