VISION

(Std. I to IV)

Edition - 3 : 3rd Quarter - 2023-24 (December - March)

"Education is not the learning of facts but the training of the minds to think." It was very rightly said, "Education is a shared commitment between dedicated teachers, motivated students, and enthusiastic parents with high expectations. At S.D. Jain Modern School, we focus on succoring the children in the preparatory stage of their learning journey. Various playway methods, digital learning, field trips, etc., are involved in every step of learning. Academic excellence is our major focus, but we also concentrate on various co-curricular activities like swimming, skating, dance, music, taekwondo, etc. Students are provided with platforms in the form of various interclass and inter-house competitions, where not only the inborn talents of the child are polished to shine but it also builds confidence and helps them to enhance their personality. I take this opportunity to thank my school management, mentors, team members for their constant efforts, our students for their active participation in the learning process that keeps the flag of S. D. Jain Modern School high, and the parents for keeping faith in us.

Mrs. Annu Singhal (Academic Co-ordinator, Std. - 1)

At S. D. Jain Modern School, we believe that 'children must be taught how to think, not what to think.' S. D. Jain Modern School provides an inclusive environment where students are encouraged to put their best foot forward to achieve academic, sporting, and social excellence. Students are provided with platforms in the form of various interclass, inter-house, and interschool competitions where not only the inborn talents and the potential of the students is channelized by the teacher with a holistic, student-centred approach.

The school provides an environment where the child realizes his worth as a responsible, balanced, and valued member of society; and believes in the concept of creating an ambient future for all. The school leaves no stone unturned to even provide counselling sessions from time to time.

In the technologically changing fast world, the school promises to keep up the pace benefiting both students and teachers by deploying smart classes, a maths lab, smart computer learning, and regular teacher training workshops. All efforts that are put in by the S. D. Jain Modern School team reflect in the various laurels that our students bring and the awards that have been conferred to S. D. Jain Modern School .

We believe in moving ahead with all our stakeholders and strongly feel that education is a shared commitment between dedicated teachers, motivated students, and responsible parents. Together we can and we shall make S. D. Jain Modern School the best place for learning and nurturing.

I also take this opportunity to thank the parents of our school for having their faith and confidence in us. Lastly, I hope and pray that our students scale great heights and keep S. D. Jain Modern School's flag high.

Mrs. Shikha Rajput (Academic Co-ordinator, Std. - 2)

Empowering Minds, Enriching Souls : S. D Jain Modern School's Journey towards Excellence.

"Education is not just about textbooks and exams ; it is about shaping young minds and instilling values that will guide them through life."

S. D. Jain Modern School, believes in nurturing not only the academic growth of its students but also in instilling in them the values that shape them into compassionate and responsible individuals. One of the ways we achieve this is through our innovative initiatives such as 'No Bag Day.' On these designated days, students are encouraged to leave their heavy bags behind and engage in hands-on, experiential learning activities that promote creativity, teamwork and critical thinking skills.

Another highlight of our school calendar is the vibrant celebration of festivals and special occasions from Diwali to Eid, Christmas to Holi, our diverse celebrations festivities not only showcase the richness of our cultural heritage but also promote inclusivity and unity among our students. In addition to celebrating mainstream festivals, we also take pride in commemorating significant days that honour the heroes and martyrs who have sacrificed for our nation. Moreover, at S. D. Jain Modern School, we understand the importance of spiritual knowledge in fostering holistic development. As we stand on the threshold of our 25th year, we are filled with gratitude for the unwavering support of our dedicated teachers, staff, students, and parents. Together, we have built a legacy of excellence, compassion and resilience that continues to inspire and uplift generations of learners

As educators, it is our mission to create a learning environment that not only equips students with academic excellence but also empowers them with values that will guide them to become empathetic, ethical and socially responsible citizens of tomorrow. Together, with our dedicated team of teachers and the unwavering support of our school community, we continue to strive towards creating a nurturing and inclusive space where every child can thrive and succeed, both academically and personally.

Mrs. Honey Asnani

(Academic Co-ordinator & HOD of English (Wing-2))

Greetings to each bright spark of S.D.Jain Family! As a grade 4 coordinator, it gives me immense pleasure to welcome you to another edition filled with the vibrant voices, creative expressions, and insightful perspectives of our talented students. This magazine stands as a testament to the diversity of talents and passions that flourish within our school.

This academic year 2023- 2024 was an exciting journey filled with new discoveries, challenges and opportunities for growth. Each day, we embark on new adventures in subjects like math, science, language, arts, social studies, and more. From solving complex math problems to conducting fascinating science experiments, every lesson was a chance to expand the knowledge and develop critical thinking skills of the students.

But learning in at S. D. Jain school goes beyond textbooks and classrooms. Here we emphasis on hands-on learning and real-world connections. Whether we're taking nature walks to observe plants and animals, conducting social studies projects, or participating in interactive reading sessions, every experience helps the students to see the relevance of what they learn to the world around them.

Moreover, students work together on group projects, experience peer learning during No Bag Day, support each other during challenging times, and celebrate each other's achievements. Our classroom becomes a space where everyone feels valued, respected, and encouraged to be their best selves.

The school staff work together with a vision to prepare students for life and here we succeed in making students modest, humble and disciplined as they soar heights in their career and bring laurels not only to their families and school but also to their mother land.

Warm regards,

Mrs. Rupali Bhatia

(Co-ordinator : Std - 4 and HOD of Mathematics)
